

### **1: Guildford/Midland Group GSR – Miles P.**

Guildford/Midland is a Steps and Traditions meeting. We aim to cover a Step and Tradition every week and this almost always happens, we focus the last 15 mins of the meeting on the corresponding tradition to the step just covered (currently on Step 12). Attendance varies from around 8 to 15 depending on the season.

All service positions are filled. We have a group conscience meeting every 12- or 13-weeks with good attendance ... up to 8 members participating. Finances are good at the moment and we made a \$250 60/30/10 contribution to CSO at the end of February and have just paid 3 month's rent in advance.

### **2: Bunbury Chapter 6 Big Book #172 GSR Report - Wendy**

1. Home group members.

Dave T – Secretary

Wendy C – Treasure & GSR

Steve D

2. Service positions – as above

3. Newcomers – No newcomers as yet but we have one pending for when she gets her motorcycle learner's permit.

4. AA Contributions - We have \$105.80 out of which will come May's rent of \$15, milk and biscuits. With continued support we will hopefully be able to make a financial contribution to both Perth GSO and National Chapter Six GSO.

5. Any issues – A couple of things were brought to the attention of the group regarding support, for and from, the 11am Saturday Bunbury meeting and support for our Ch6 meeting. After some discussion at a group conscience meeting changes have been put in place to accommodate.

6. Good things – In the future, the Bunbury Ch6 meeting will take place after an extended ride and lunch instead of attending the morning meeting in Bunbury. This will bring us more into line with the format of other Ch6 meetings, being more inclusive of the groups' two priorities.. AA and motorcycle riding!!

### **3: Dunsborough ID 145 GSR – Mark S**

Meeting participation has grown from numbers ranging from 4 to 5 to sometimes as many as 20. We received fellow AA's from Perth, interstate and the occasional international visitor.

The rent has been paid up till June 2025. Sereniy paid up until Dec 2025 and we have sufficient Big Books and 12 x 123 literature.

Group participation has improved, and several home group positions have been filled. won't be able to attend the upcoming Area B meeting (my first) as I will be a Polling Assistant at the Federal Election on the 3rd May 2025.

#### **5: Spearwood ABC Steps GSR- Charles**

GSR report for Thursday, 7:00 pm to 8:00pm (ABC Spearwood steps group)

The group numbers are between 8-15 members per week and donate monthly to the 50:30:10:10 plan (Approx (150-200 per month) and will continue to make regular donations when funds are available. We have a small prudent reserve for coffee, literature when needed and other expenses. All our service positions are filled (treasurer, secretary, GSR and smaller roles such as greeter).

We regularly get newcomers to our meeting, and they are always given a beginner's pack and some phone numbers (men for men and women for women) when they first arrive, and we also encourage sponsorship. We recently purchased 12 Concepts for world service banners at our meeting to promote the notion of service in AA.

The group has six home group members with most having service positions. We have members ranging from 40 years of sobriety to newcomers at the meeting and there is a good atmosphere. All in all, the meeting is well attended, and the group is going strong.

We hold group conscience meetings quarterly. Rent and 60/30/10 is also paid quarterly.

**8: Fremantle Men's Tuesday Night GSR – Byron**

All service positions filled 6 home group members, and I am still acting GSR

Good number of newcomers recently 2 or 3 this year so far.

And we have had some technical issues with our bank acc. These will be handled shortly and donations will resume.

**9: Mundijong Monday Night GSR – Don**

Numbers attending meetings continue to be very strong. Occasional newcomers with some returning for more than one or two meetings.

BBQs on first Monday of month (Speaker Meeting night) now finished until next summer.

Group Inventory held in February with 5 Home Group members participating. Several suggestions to improve Groups effectiveness considered and adopted. Once again, Home Group membership is on the wane with one member changing home groups due to work commitments, two others advising of reduced participation due to upcoming changes in work commitments and another advising that they will be relocating geographically. On the brighter side, an old timer has indicated their intention to become more active in service but has yet to take on a specific role.

Finances continue to be steady but without significant surpluses after payment of donation (recently increased) for use of the venue and purchase of catering supplies and literature.
