Treatment and Corrections Report – Grace

Cyrenian House – Nannup TC – The meeting at Nannup has been such a success with the residents enjoying and participating and so many AA members keen to attend that I have organized with the staff to change the meeting to weekly. The requirements to be on the roster have remained the same, however attendance of AA members have changed to 2-3 members weekly instead of 3-4 fortnightly. The residents always express gratitude for our participation and the biscuits.

Palmerston – Beela Valley TC – The meeting at Beela Valley is still going strong with residents showing interest in the program and literature. No changes to report.

Bunbury Regional Prison – I had a discussion with Fr. Brian regarding progress on getting AA attendance at the prison meetings. He updated me that due to staff shortages, a lot extracurricular activities have been put on hold and as a result, he believes that at the moment, AA members attending is unlikely to be approved.

GSR reports

Bunbury Wednesday- Sam - GC was held – Monday and Wednesday GC separated but now Monday has closed so point is moot. Service positions filled – financial \$395 (needs to be spent) 4-10 attendance.

Busselton – Monday, Thursday and Friday – Grace – Going well, regular positions filled, financially going well. Sub committee for round up going well. Group is not donating 60/20/20 as saving up for reserve for round up.

Dunsborough – Geoff/Mark – All good – regular attendance from locals, members and visitors. Some newcomers. Financial.
