Are you a FI/FO worker?

Are you finding it hard to get and stay sober with so few meetings?

If you ring the AA Helpline you will be advised to go to as many meetings as you can, to get a home group and to get a sponsor. When you are a FI/FO worker the number of meetings you can actually get to is very limited – in most cases you can only get to meetings when you are in the Metro area on your limited time off.

~ ~ ~

There are many sober people working FI/FO in W.A. and other States. Some of them would like to offer their names and mobile numbers to those of you who are having trouble. You can have a meeting on the phone, one-on-one – you can send text messages and get supportive replies back – you can get to know these people on the phone and then arrange to meet when your times off coincide. This might be how you find a sponsor!

These are the people who have given their names and numbers – Please call or text someone. They are all alcoholics, sober today through the program of Alcoholics Anonymous. Generally men offer help to men and women to women.
